STAT

Mr. Arthur Krock has both written and phoned me of your desire for a position with the Central Intelligence Agency, and has furnished me a brief biographical sketch.

I am enclosing forms for application for employment and Personal History Statements which we require of all prospective employees. If you will fill out these forms and return them to me in duplicate, we will canvass our open positions and determine whether we have a suitable vacancy for which you may be qualified. This action will take a little time, but we will inform you of the situation as soon as possible after receipt of the completed forms.

Your interest in this Agency is appreciated.

Sincerely,
